Sub: Quotation for the supply of Surgical /items (Open Quotation)

Sir,

You are requested to submit your lowest bid for Surgical / items the quotation should reach this office in sealed envelope or before 9/07/2024, until 5.00 pm. Quotation requirement is also published on and DMER Website.

The Dean, Sir J. J. Group of Hospitals, Mumbai reserves the right to Accept, Recall or Reject any or all quotations without assigning any reason.

Other instructions and terms & Condition regarding quotation are mentioned below the surgical item list.

No.	Name of The Item	Specification	Pack Size	Rate Per Pack Size
1	Semi Compliant or NonCompliant PTCA Balloon Dilation Catheter	S Coating with latest technology for ensuring durable and strong hydrophilic ability to pass through complex lesions with zero resistance Delicate MAdvance Tip design makes the catheter softer and more flexible to protect the blood vessels RBP22ATM MBP 30ATM Available in most quarter sizes	1	
2	Ultra High Pressure plaque Modification Non compliant Balloon dilation catheter	Ultra high pressure plaque modification device with dual layer with RBP 35 bars and strictly noncompliant only 10 percent growth and for super high pressure PTCA a Manometer of 55 atm dual platinum marker	1	
3	CTO Balloon dilation catheter with Lowest diameter profile	Worlds smallest NonCompliant CTO Balloon of diameter 0.85mm Lesion Entry Profile 0.016inch with RBP23atm Hydrophilic coated and Single Proximal marker	1	
4	Scoring balloon dilation catheter	Cutting balloon for PTCA having micro surgical atherotomes or blades	1	
5	Semi Compliant or NonCompliant PTCA Balloon Dilation Catheter	Having a Unique size matrix Wide range of size matrix with diameters from 2 to 5mm and variable lengths of 6 to 30 mm Uniform expansion with no dog bone effect Best in class features including an ultralow tip entry profile of 0.016 inch Low rewrap profile and a kink resistant shaft Balloon is a trifold memory Multilayered polyamide material with Selective hydrophilic coating in the distal shaft Key features Lowest tip entry profile 0.016 inch Lower peak track force 0.498 N Low rewrap profile avg max force to recross is 0.39 N Unique hydrophilic selective coating on the balloon for an easy trackability and a better anchoring Average deflation time of less than 8 seconds Nominal Pressure 12atm Rated Burst Pressure RBP 20 atm and 18 atm for 5mm diameter balloon Hydrophilic coating selective coating at distal shaft including the balloon tip	1	

PTO..1

6	Semi Compliant or Non Compliant PTCA Balloon Dilatation Catheter	USFDA approved semi compliant or non compliant coronary Balloon USFDA approved for CTO indication	1
		Unique diameter of 1.2 mm with single marker and proximal shaft diameter 2.1F available in various diameters ranging from 1.2 to 5 mm and lengths 6 to 40mm	
		Semicompliant or Non compliant Balloon dilatation catheter available in RX and OTW with multilayer balloon	
		Transitionless tip	
		Slim seal technology	
		Flexible tungsten markers to ensure low crossing profile and excellent deliverability	
		Diameter 1.2 to 1.5mm diameters with most quarters Lengths 6mm 8mm 12mm 15mm 20mm 25mm and 30 mm	
7	Non Compliant PTCA Balloon Dilatation Catheter	USFDA approved non compliant coronary balloon with single piece outer member and multilayer CrossFlex Balloon Technology made up of Pebax 1.5mm to 5mm and grilamid 5.5 mm 6 mm Faster deflation time of around 7secs Round Tip with Lesion Entry Profile of 0.020 available in diameter 1.5mm to 6mm and lengths in 6mm to 25mm with Skive Technology on Mid shaft of Dilatation Catheter	1
8	Semi Compliant or Non Compliant PTCA Balloon Dilatation Catheter	PTCA Balloon Catheter Dual layer with Inner PTFE Material and Outer Nylon Ultra low profile superior deliverability and Crossing profile Thinner balloon thickness yet higher dilation force	1
		Small profile enable performing kissing balloon technique in 5F catheter	
		Full sizes available starting from 1mm Crossing profile 0.021	
	Cutting balloon Micro Surgical dilatation catheter	Useful for pre stent balloon dilatation of Discrete lesion less than 15 mm in length or tubular lesions 10 mm to 20 mm in length	1
		with Reference vessel diameter RVD of 2 mm to 4 mm	
		useful in Light to moderate tortuous of proximal vessel segment	
		Nonangulated lesion segment less than 45 degree	
		Smooth angiographic contour	
		Absence of angiographically visible thrombus useful in tight fibrofatty or calcific lesions and concentric calcium ring lesions and helps to prepare bed for stent deployment	
10	Drug Eluting Coronary Balloon	Drug Eluting Balloon Catheter on which Sirolimus Drug is coated having a drug dose of 2.75 microgram per mm with Diameter from 2 mm to 4 mm and Length from 10 mm to 40 mm	1

Instructions and terms & condition regarding Quotation:-

- Interested vendors should submit the quotation as per given format only. Vendors need to specify Manufacturer & brand in the quotation and same supply need to be supplied.
- Quotation must be submitted in sealed envelope only
- The quotation & envelope should be addressed to - The Dean, Sir J J Group of Hospitals, Mumbai and marked **Kind attention to- Surgical store.**
- Vendors must write quotation reference no & Last date of submission the quotation on the envelop.
- Any amendments regarding the quotation will be published on website www.gmcjjh.in. Vendors will not be communicated separately regarding the amendments.
- However if the vendor fails to check any of these amendment on website then it will be presumed that the vendor has quoted his/ her rates by taking the note of these amendments.
- Rate should be quoted inclusive of all taxes, GST, etc. Rate must be written in both figures & words.
- Rates should be valid for six months from the date of opening the quotation.

- Rate must be quoted for official Pharmacopeia standards i.e IP/BP/ USP only & same goods must be supplied.
- Delivery period is 24 hrs to 03 (Three) days from the receipt of order, as per vitality of the medicine.
- Analysis test reports need to be submitted at the time of goods supply
- For goods supplied under MPJY / Other scheme, bills will be passed only after utilization certificate received.
- Successful vendors if fails to supply the goods within stipulated delivery period he is liable for the further necessary action, which deem may fit.

NOTE:

1. Quote this office reference of the top of the envelope with due date.
2. Manufactures authorization letter in mandatory for all above mentioned material.
3. Demo sample required to be submitted to Sir J J Group of Hospitals, Surgical Store, for all quoted ~~at~~ materials for its testing. The submitted demo material will ~~be~~ not return back to the vendor irrespective of its qualification or disqualification.
4. Document attached for FDA drugs licence, GST registration Certificate, Pan Card, Experience Certificate.
5. Last date of submission of quotation: 09/07/2024 before 5 pm

Dr
Dean
